

## APPLICATION CRITERIA

### Purpose

Counties must consult cities, towns, port districts, and associate development organizations in order to disburse funds. As per RCW 82.14.370, the funds may only be used to:

- Finance “public facilities” that facilitate the creation or the retention of business and jobs.
- Finance personnel in the office of a county, port district, or associate development organization that facilitate the creation or the retention of business and jobs.

### Examples of Allowable Uses

As per RCW 82.14.370, the public facility must be listed under the county economic development plan or the capital facilities plan. Examples of allowable uses are included below:

- Bridges, roads, railroads, and transportation infrastructure.
- Domestic and industrial water facilities, sanitary sewer facilities, and storm sewer facilities.
- Research, testing, training, and incubation facilities in innovation partnership zones (RCW 43.330.270).
- Electrical facilities, natural gas facilities, telecommunications infrastructure, and earth stabilization.
- Commercial infrastructure, port facilities, buildings, and structures.

### Attorney General’s Office

As per the 2001 opinion of the Washington State Attorney General’s Office, the following are uses as defined in the statute:

- Capital facilities costs, including acquisition, construction, rehabilitation, alteration, expansion, or improvements of public facilities;
- Costs of development and improvement for the public facilities;
- Project-specific environmental costs;
- Land use and permitting costs;
- Costs of site planning and analysis;
- Project design, including feasibility and marketing studies and plans, and debt and revenue impact analysis.

## YOUR PROJECT

### What is your “Public Facilities” project?

Please provide a brief description of your project in the space below.

Description:

### How Will This Project Create Or Retain Business Or Jobs?

“Jobs” are defined by the .09 advisory committee as employment that produces products and services and exports products and services outside of Lewis County, resulting in new money coming into the community. This traditionally includes manufacturing, logistics, and other production facilities. This typically excludes retail and service sectors and other tertiary jobs producers.

Description:

Category	Created (1 yr.) - Name/Number	Retained (1 yr.) - Name/Number
Businesses		
Direct full time jobs, Direct part time jobs, indirect jobs		

### What Will Be The Cost Of The Project?

The Board of County Commissioners may disburse funds as both grants and loans. Grant funding requests that do not exceed \$250,000 require only this short application and project line item budget. Possible grant/loan requests up to \$1,000,000 will be considered if it is deemed an extraordinary circumstance by the Lewis County Board of County Commissioners. The County will negotiate the terms of each award. This may include interest rates or disbursement schedules. All requests over \$250,000 must include this application plus a business plan, line item budget, listed partners, and other funding sources.
